Week 8: It was a Super Week!

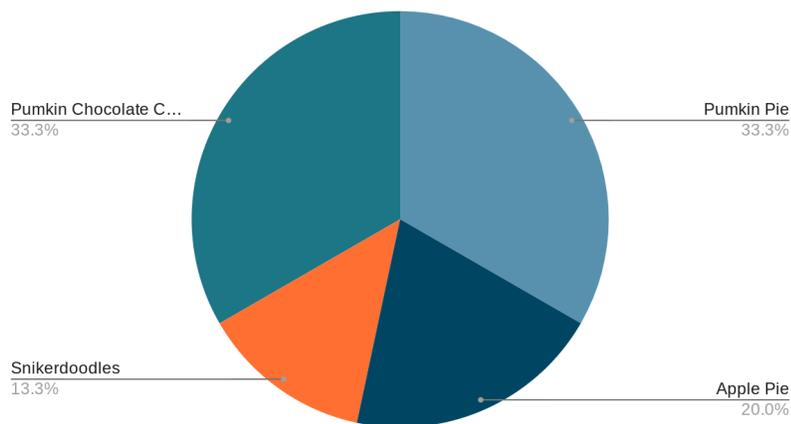

This year, we are so excited to have our 8th-10th graders interviewing and gathering information for our newsletter! Here's what they found:

Survey from Week 8...

-Favorite Fall Dessert-

Period 1

-Favorite Fall Activity-

Some of the students' favorite fall activities are: when the trees turn orange, playing in the leaves, eating the traditional fall foods, jumping in big piles of leaves, going and playing at the pumpkin patch, and it's the beginning of sweater weather!

-What We Learned This Week-

2-4, as always, learned about math, 5-8 learned about the human organs, Kindergarten found out who could stack the most toy dogs, and 9-10 did science.

A Special Look at Our Awesome Students!
